### **\*\*\*Please Note \*\*\***

Clients can bring in their own beverages, alcoholic and non-alcoholic. The caterer's bartender is required to serve the beverages. We highly recommend BevMo. Please contact them directly to receive a quote. They can help calculate the quantities needed for you and deliver to the Skybox the afternoon of your event.

Any BevMo can be used, but our recommended BevMo is: BevMo Point Loma / 3210 Rosecrans Place
